## Manage Your Time & Save Your Sanity Effective Time Management

Wednesday, August 9, 2017

9:00 a.m. – 12 noon

Registration begins at 8:30 a.m.

The most successful people are the ones who have the intelligence, energy and discipline to manage their time effectively. This program is for those challenged by managing multiple priorities and eager to dramatically increase the personal value they add to their organizations. Explore how to assess time management strengths and determine how you would benefit from increased time control. Examine your skills to maximize control through planning, delegating and monitoring resources and review conservation techniques to reduce time expenses in performing vital business functions.

Personal time management skills are essential for professional success in any workplace. Those able to successfully implement time management strategies are able to control their workload rather than spend each day in a frenzy of activity reacting to crisis after crisis. Stress declines and personal productivity soars! These highly effective individuals are able to focus on the tasks with the greatest impact to them and their organization. Simple and practical; this program can help you work smarter, not harder.
